Education Center

2221 Freeport Rd, Rockton IL

A close combat weapon favored by both Indian warriors and White settlers of the 18th and 19th centuries, the Tomahawk represents the melding of European technology and weapon systems with the Native use of the war club.

Drawing ©2010 Michka Bailey

REQUIREMENTS: Participants should wear comfortable workout clothes, and should bring a belt or heavy sash and a Tomahawk with sheath or a 1-lb ball-peen hammer with a wooden handle. Protective eye wear is also required.

Gallowglass Academy suggests groin protection for men. Historical Interpreters and Reenactors of all stripes are encouraged to wear historical kit, and all participants should bring clothing appropriate for portions of the class to be held outside, weather permitting.
